

## 2021 Douglas Lake Volunteer Boat Assist Team

The Douglas Lake Volunteer Boat Assist Team consists of residents of DL who have volunteered to assist boaters who are stranded on the lake due to a malfunctioning boat or motor. The volunteers are not professional boat mechanics but are willing to lend a hand and get you to shore.

Team members live in several areas around the lake. If you need assistance, please call a volunteer living near the area where you are stranded. Describe the type of problem you are experiencing, your location, type and color of your boat, and how many people are on board.

The Team is available from 5/31/2021 (Memorial Day) to 9/6/2021 (Labor Day).

We highly recommend that you snap a photo of this list to keep on your cell phone while you are on the Lake or keep a copy in a waterproof location on your boat. And, of course, *remember to take your phone with you – a secure waterproof bag is a good idea!*

**If you are having a medical emergency or other life-threatening emergency, call 911.**
