

## Douglas Lake Volunteer Boat Assist Team 2019

The Douglas Lake Volunteer Boat Assist Team consists of residents of DL, who have volunteered to assist boaters who are stranded on the lake due to a malfunctioning boat or motor. The volunteers are not professional boat mechanics, but are willing to lend a hand and get you to shore. The DL Boat Assist Team will be in effect during the normal boating season. (Memorial Day through Labor Day.)

Team members live in several areas around the lake. If you need assistance please call a volunteer living near the area you are stranded. Describe the type of problem you are experiencing, your location, type and color of your boat and how many people are on board.

**If you are having a medical emergency or other life threatening emergency call 911.**
