

2024 Douglas Lake Volunteer Boat Assist Team

The Douglas Lake Volunteer Boat Assist Team consists of residents of DL who have volunteered to assist stranded boaters due to a malfunctioning boat. These volunteers are not professional boat mechanics but are willing to lend a hand and get you to shore.

Team members live in several areas around the lake. If you need assistance, please call a volunteer living near the area where you are stranded. Describe the type of problem you are experiencing, your location, the type and color of your boat and how many people are on board.

The DL Boat Assist Team is available from **May 27, 2024, to September 2, 2024.**

We recommend you take a photo of the DL Volunteer Boat Assist Team with your cell phone or place a copy of the list of volunteers in your boat. Remember to take your cell phone with you when boating.

If you have a medical emergency or a life-threatening emergency call 911.
