PRESIDENT'S MESSAGE

August, 2013

I hope everyone has had a great July with as much time spent at the lake as possible. As usual summer is flying by much too fast.

In this issue you will find a DLIA volunteer survey. Gail Beaver is head of our DLIA volunteer group and is looking for people who would like to volunteer some time to help keep Douglas Lake a special place. If you would like to help by volunteering please take a moment and fill out this form and send it to Gail. Being active in the lake community is a very rewarding experience!

Also, the DLIA annual meeting is scheduled to be held at the David M. Gates Lecture Hall on August 20th, 2013. Refreshments are at 7:00 p.m. with the meeting starting promptly at 7:30. Have a great August and hope to see you on the 20th!

Nat Wilkinson
President

WE WILL MISS

We offer our condolences to the families of Aida "Edie" Lang, Donna May Segrist and Marion Warren.

Aida "Edie" Lang, 83, passed away Sept 24, 2012 at her home.

Sweetbread and angel wings were just a couple things Edie Lang would make and share with her neighbors on Douglas Lake. Who knows, maybe Edie and her good friend, Jackie Rose, would make angels in the snow when they would go cross country skiing together.

As soon as the school year was over, Edie and her 7 children would be at Douglas Lake where they needed a pretty day for washing clothes because they used the wringer washer outside and dried the clothes in the fresh air. The cottage was rustic, the girls used the buddy system to go to the outhouse, but there were lots of toys. Pops Porch was the pontoon boat from which they fished and swam, and they had a couple horses in the early 70's.

Edie's daughter, Sheila Tricoci, said that she was a wonderful mom and was a great role model. She would go without so her children could have more. Her mom convinced her to return to nursing when she was a single mom with 3 children. Edie pitched in to help Sheila get on a new track and establish her home here on Douglas Lake.

Edie was known for being warm, generous, and kind. She was Secretary/Treasurer for Munro Helping Hands, helped at St Clement in Pellston, enjoyed assisting northern Michigan travelers at the Mackinaw City Welcome Center, volunteered at Cheboygan Memorial Hospital, was active with Red Hats and loved playing cards and reading.

Edie and her husband, Sonny, had Lang Electric down state. Sonny preceded her in death in 1982. Three of her children and other relatives have property or homes on Douglas Lake. Edie's bright, cheery disposition is sorely missed.

Donna May Segrist, 82, West Lafayette died peacefully at home at 12:10 p.m. on Monday, April 8, 2013, of complications related to her lengthy battle with Parkinson's disease. Donna was born December 26, 1930, in Wauseon, Ohio, to Donald K. and Esther Mettler Grisier. She married Allen Segrist on July 24, 1955, and he survives. Also surviving are three sons, Don (Sharon) Segrist, of Onstead, MI; Andy Segrist, of Portland, OR; and Kurt (Elizabeth) Segrist, of Bend, OR; two grandsons, Jim and Sam and two granddaughters, Erin and Caitlin; one sister, Nanette (John) Eckert, of Brookings, OR, and a large group of loving and devoted in-laws, cousins, nieces and nephews. One daughter, Anne Louise Segrist, and one son, James William Segrist preceded her in death.

Donna was raised in Wauseon, OH, and in 1948 was graduated from Wauseon High School. She went on to study at Ohio Wesleyan University. While there she became a member of Delta Gamma Sorority and was active in student government. She earned her B.A. in Elementary Education in 1952. At Purdue University she completed her M.S. in Education in 1981. Donna taught school in Dayton, Delta, and Columbus, OH, before moving to Indiana. Her teaching career continued in the West Lafayette School System where she taught kindergarten for over a decade. She organized the original Greater Lafayette vision screening program and the toll-road for blindness in Lafayette. Donna had a life-long passion for learning. She was on the board of directors of the Indiana Society for Prevention of Blindness. On campus, she served as an advisor to the Purdue Delta Gamma chapter. At Saint Andrew United Methodist Church she taught Adult Study classes and was a member of the Creative Worship Committee.

She was involved in the arts programs of the community, performing four times in plays of The Lafayette Civic Theater. She also served as a docent at the Art Museum of Great Lafayette and volunteered in the ArtSmart education program with Tippecanoe County elementary school students. Donna was the Co-founder of

The Compassionate Friends of Greater Lafayette, serving families of people who have lost a child. Her work with Compassionate Friends was far reaching and highly significant to her life and of great benefit to many families of the regional area. She loved music, going to the movies, entertaining, and traveling. She entertained and taught young members of the family in their annual Shindig gatherings. Donna had many friends at Douglas Lake where she was a role model of courage as she journeyed through her battle with Parkinson's. She is missed.

Marian Warren completed this earthly pilgrimage and entered eternal life on April 12, 2013. She was preceded in death by her husband of 59 years, Lee H. Warren. Born May 9, 1921 to parents Marion Alfred Whitlock and Mattie W. Arnett in Indianapolis, IN. She is survived by her daughters, Cynthia Warren of Scottsdale, AZ, Kristina (Neal) Barncard of Lansing, MI and Debra Foote of Tulsa, OK; grandchildren, Dr. Erica Takimoto of Scottsdale, AZ, Brian Takimoto of Phoenix, AZ, Christopher (Katie) Foote of Guthrie, OK, Katie (Derrick) Hobson and Andrew Foote of Tulsa, OK; great-grandchildren, Logan Hobson and Norah Foote; and several nieces, nephews, and numerous cousins. Marion and Lee purchased their cottage over 50 years ago and spent many happy times at the lake with their three girls and later grandchildren beginning a tradition which continues with the family.

DLIA Volunteer Survey

The recently constituted (August 2012) DLIA Volunteer Committee is looking for Douglas Lakers who are interested in participating in various volunteer activities as a means of expanding the pool of volunteers and also to help those who would like to become more involved in lake activities. With that in mind we offer this brief glance at existing projects and a form for your response.

“Bug Camp” (UM Biological Station) Stewards: prepares and opens new trails, protects existing trails and land, helps with bio station projects.

Cleanup groups - e.g. trash pick-up – ad hoc groups that occasionally meet to remove trash along roads leading to Douglas Lake, e.g. Van Road.

Social event groups - membership meeting and special events organization and support from decoration to entertainment to menu planning..

Communication support - from supporting the website and up-to-date mailing lists to sorting, collating, delivering directories or other print information. (e.g. newsletters, cookbooks, informational fliers)

Merchandise sales - preparation, inventory, sales, repacking merchandise for sales held during the summer months and support for online sales.

Monitoring lake related plant and wildlife - e.g. plant identification, boat ramp milfoil prevention, loon nest monitoring and protection, swimmers’ itch monitoring, invasive species containment efforts.

Please return the information form at the top of this page via print/mail or email to your zone representative or to gailbeav@umich.edu (10765 Reinhardt Sh. Levering, MI 49755)
